Jaws's Birthday

The Webkinz were preparing for yet another birthday party. This time, their new friend Jaws is having a birthday. "Are the decorations all put up?" asked Lulu to Alley.

"Yep. Now we just have to wait until Jaws gets home. Do you know where he went?" said Alley.

"He went to the arcade with Jessica and Tabby." said Hector.

"And here they come now." said Hugo as he pointed out the window.

"We have to hide!" said Vixen. Everybody hid behind some furniture. Jaws, Jessica, and Tabby came in the door.

"Thanks for taking me out, ladies. I appreciate it." said Jaws.

"No problem." said Jessica.

"Hey, why are all the lights off?" asked Tabby. She turned on the lights.

"Surprise!" said everybody in unison.

"Is that why you ladies took me out to the arcade? Because you knew it was my birthday?" asked Jaws.

"Yep." said Jessica and Tabby.

"Well, come on. The birthday cake is in the other room." said Stripes.
